

\*Offered ONLY at Clavet Service Station Ltd.

1. One Tire Assistance Iridium/Platinum must be purchased for each tire. Once redeemed, a new Tire Assistance Iridium/Platinum may be purchased for the replacement tire at the then current retail price.
2. The tire is repaired at no charge if it falls within Clavet Service tire repair guidelines. Balancing, TPMS relearn, disposal fees and taxes are the responsibility of the tire owner.
3. A pro-rated replacement price will be charged based on regular retail price. This simply means that you only pay for the amount of the tread used above the 2/32" tread wear indicators. For example, if one third of the useable tread is used, you pay one third of the regular retail price of a new tire purchased from us.
4. Usable tread is the original tread worn down to 4/32" of tread remaining.
5. Balancing, disposal fees and taxes (for replacement tires) are the responsibility of the tire owner. Additional charges may apply to vehicles with Tire Pressure Monitoring (TPMS).

**In addition, these protection plans do not cover:**

- Failure or damage, including rapid and irregular tread wear, caused directly or indirectly by: fire, accident, wreck, collision, vandalism, theft, negligence, motorsport, brake lock, spinning, overloading, over-inflation or under-inflation, improper wheel alignment or tire rotation, misapplication, improper mounting, mounting on non-approved rims, chains, studs, and mechanical condition of the vehicle
- Tires used on non-passenger vehicles including campers, trailers, etc. or farm vehicles or commercial vehicles, including taxis, limousines, police or courier service, etc.
- Claims not made by the original purchaser
- Tires installed on a vehicle other than the original vehicle
- Tires returned more than four years after the purchase date on the original work order/invoice
- Tire without D.O.T. identification numbers
- Tires branded non-adjustable (N/A), used or blemished
- Tires with a remaining tread depth of 4/32" or less
- Tires other than those identified by the D.O.T. numbers on the work order
- Tires purchased on clearance deals or tires that are discontinued
- Tires not regularly stocked, or tires not sold through our Special Order Program

1. Tire Assistance applies to tires only, not any other damage to the vehicle caused by tire failure. For coverage of any consequential damage, consult your personal insurance company.
2. Tire repairs that do not conform to Clavet Service guidelines may void Tire Assistance.

What you need for Tire Assistance Coverage:

1. You must present the damaged tire as well as the original work order/invoice to Clavet Service Limited.

2. If you did not purchase Tire Assistance Iridium/Tire Assistance Platinum you must pay the replacement cost of the new tire, pro rata if applicable.

3. Unless otherwise noted herein, you are also responsible for the payment of repairs and services such as installation, balancing, rotation, alignment, disposal fee and applicable taxes.

4. Other charges may apply for vehicles equipped with Tire Pressure Monitoring System (TPMS).
